Step by Step: How can I take part as co-exhibitor?

1. Main exhibitors will receive an invitation end of January for ITB Speed Networking. This invitation includes a link. This will be sent by the main exhibitor to co-exhibitors. If you have not received that information, please get in touch with the main exhibitor directly.

2. With this information provided by your main exhibitor, you can register and create a matchmaking-profile within the Matchmaking Tool (with the link you will be automatically connected to your main exhibitor).

3. Also, you need to accept the general terms and conditions and data protection regulations. Furthermore, you choose what destinations and products you are offering.

---

Registration form for Co-exhibitors

*Please register with your company details and complete your Matchmaking profile.

*Please note: You can only participate in the Matchmaking process with your main exhibitor’s approval. If you save any questions, please contact your main exhibitor.

5. Please note that the main-exhibitor is able to decline your participation.

6. Kindly note that the **matchmaking phase will start from 10 February**.

7. With this date, the buyers list will show all participating buyers.

8. You will receive an automatic confirmation mail afterwards and can login for the matchmaking tool and participate at the matchmaking phase (**from 10 February on**).

9. During the matchmaking phase you can try to schedule meetings with interesting buyers and you will receive meeting requests.

10. The **matchmaking phase within the matchmaking tool ends 27 February 2020 at midnight (CET)**. If you do not have any fixed appointment (because there was no interesting buyer for you or the interesting buyers were already fully booked), you cannot participate on 5 March during the event.

**Only co-exhibitors with at least one fixed appointment can take part on 5 March at ITB Speed Networking, as there will not be any free networking.**
